Senator Shirley Marsh, for what purpose do you ask recognition?

SENATOR MARSH: Mr. President, I am going to do something quite different and that is to ask that the next seven bills which are on your priority bill be advanced to E & R Initial so that they can be discussed on Select File because if we don't have action tonight, we will not have time or else simply take a vote on them. Most of you have done your homework. You have looked at these bills so you know whether you are going to support them or not and we are running out of time.

PRESIDENT: Are you ready for the question, then?

SENATOR MARSH: Yes.

PRESIDENT: All right, the question is, shall these next seven bills be advanced? That defeats the purpose of the motion to divide the question. I am sorry. Senator Marsh really moves to suspend the rules to provide for the mass advancement of bills. That is the question. No, The seven here. Record your vote. The question is, shall the rules be suspended. Sir.

SENATOR SCHMIT: To amend that to include the committee bills also.

PRESIDENT: Senator Marsh moved to suspend the rules. We are voting now. The question is, shall the rules be suspended? Please vote. Have you voted? Have you voted? Record.

CLERK: 17 ayes, 13 nays to suspend the rules, Mr. President.

PRESIDENT: Motion fails. Senator Luedtke.

SPEAKER LUEDTKE: Mr. President, I move that we adjourn until 9 o'clock in the morning.

PRESIDENT: All in favor say aye, contrary say nay. We are adjourned until 9 o'clock in the morning.
